

# Water Cycle Song

---

(to the tune of "Oh, My Darlin'")

Evaporation, (Push both palms up, palms parallel to floor.)

Condensation, (Push with arms straight out to the side.)

Precipitation on my head. ( Pretend to "rain" on head.)

Accumulation, (Make arms sweep back and forth in front.)

Water Cycle, (Arms rotate in circle in front.)

And we start all over again. (Turn around in place in a circle.)
