Every Dime Counts!
2007-08
State Goal – Every member donate $3.60

In year six of this project, the state goal is to complete our goal of raising enough money to build a house for a low-income family through Habitat for Humanity (HFH).

What can you do?
We can accomplish our goal with a simple plan. If half of the youth in our traditional club enrollment will support this effort by saving 36 dimes or $3.60 we can complete the initial goal of $54,000! This would be a wonderful accomplishment and a substantial gift as we begin our 4-H Centennial Celebration in 2008.

Timeline
- The timeline for collecting money is October 1, 2007 through June 30, 2008.
- Funds due to county office by July 1st.
- All county funds are due to the state office by July 7th.

We encourage the support of local habitat affiliates. If you want the money to go toward local habitat project please note that on the commitment form.

What do I get in return?
= An awareness of Habitat for Humanities contribution to our communities
= An increased understanding of the need for helping one’s neighbors
= A personal satisfaction for helping others
= Community and state recognition for Oklahoma 4-H and my club/county
Habitat for Humanity International is a nonprofit, ecumenical Christian housing ministry. HFHI seeks to eliminate poverty housing and homelessness from the world, and to make decent shelter a matter of conscience and action.

Habitat invites people of all backgrounds, races and religions to build houses together in partnership with families in need.

Habitat has built more than 150,000 houses around the world, providing more than 750,000 people in more than 3,000 communities with safe, decent, affordable shelter. HFHI was founded in 1976 by Millard Fuller along with his wife Linda.

Through volunteer labor and donations of money and materials, Habitat builds and rehabilites simple, decent houses with the help of the homeowner (partner) families. Habitat houses are sold to partner families at no profit, financed with affordable, no-interest loans. The homeowners' monthly mortgage payments are used to build still more Habitat houses.

Habitat is not a giveaway program. In addition to a down payment and the monthly montage payments, homeowners invest hundreds of hours of their own labor -- sweat equity -- into building their Habitat house and the houses of others.

Make your commitment today!

Let us know your county or club's interest by completing and returning the following information by mail or email. Retrieve an electronic version of this form at [http://oklahoma4h.okstate.edu/events/dimedrop.htm](http://oklahoma4h.okstate.edu/events/dimedrop.htm).
