Come spend the night at the OKC Zoo and learn from Zoo personnel about many of the similarities and differences that your pets have in common with wild animals. Then venture outdoors for a night hike through the zoo. The hike will be followed up by 4-H activities.

In the morning we will slip out for an early tour while the animals are up and having breakfast. The rest of the day is yours to spend at the zoo. Make plans today, it’s sure to be a “Wild” time!
