

2011 OKLAHOMA .22 PISTOL RULES

Class

Seniors (ages 14+)

Event

All three events

****Ages are determined using members age as of January 1 of the current calendar year.**

Note: All pistol shooters under the age of 18 must have in their possession a written permission statement from their parent or guardian stating their permission to possess and fire pistols to be in compliance with BATF regulations. We suggest a simple statement, shrunk to card size with the name of the shooter, and the parent's name and address as well as their signature and that of a witness and dates. Some shooters use this in a laminated form, keeping it with the shooting kit. All federal rules pertaining to youth and pistols must be followed.

All matches are "single pistol" matches. A shooter is to shoot the entire course of fire of that event with the same pistol. No pistol changes between stages. Only one pistol per shooter allowed on the line. **No bolt action pistols, including cannon bolt, turn bolt or straight bolt will be permitted.**

As stated in the Oklahoma 4-H Shooting Sports Policy youth must have successfully completed the Air Pistol project training **prior** to participation in .22 pistol.
