Purpose:  
This program provides an incentive activity for experienced 4-Hers who have developed an ability to train young horses. The objective is to encourage Oklahoma 4-H Horse Club members to enhance their overall horsemanship skills by allowing them to demonstrate their learned ability to train and show young horses. Members are to learn training skills by being responsible for the care, fitting and training of the project. Advice and instruction from resource personnel such as parents and professionals in the horse industry is encouraged; however, resource people should be used as teachers, not as participants in the actual training and care of the project. It is intended that the youth are responsible for the daily care, fitting and training of project. For the benefit of the learning experience of the youth, the training project is designed for as much hands-on fitting and training by the youth as possible. Two-Year-Old Combined Western Pleasure-Showmanship Class Rules and Conditions
(All Breeds: Grade or Registered (NO STALLIONS). Horse must not have turned two years of age before January 1 of the current year. For 2010, horses must have been foaled in the year of 2008.

I. Appointments
A. Personal.
(Same as described in Western Pleasure and Showmanship classes in the State 4-H Rules for Horse Shows). Youth are strongly encouraged to use ASTM/SEI approved safety helmets while preparing and participating with the 2-yr-old training project.

B. Tack.
IT IS THE RESPONSIBILITY OF THE CONTESTANTS TO BRING ANY QUESTIONABLE EQUIPMENT TO THE DESIGNATED EQUIPMENT JUDGE PRIOR TO THE CLASS, AS ILLEGAL EQUIPMENT WILL RESULT IN DISQUALIFICATION. General tack requirements as described in Rules for the specific classes, with the following specification: For Western Pleasure division: Horses are to be shown in snaffle or hackamore and ridden with two hands with the following conditions. Snaffle refers to a smooth ring snaffle bit with a broken mouthpiece (conventional O-ring, egg but, or D-Ring) mandatory, with ring no larger than 4”. The inside of the ring must be free of any attachments that would provide leverage. The mouthpiece should be round, oval or egg-shaped, smooth and unwrapped metal. It may be inlaid, but smooth or latex-wrapped. The bars must be a minimum of 5/16” in diameter, measured one inch in from the cheek with a gradual decrease to the center of the snaffle. The mouthpiece may be two or three pieces. A three-piece, connecting ring of 1¼” or less in diameter, or a connecting flat bar of 3/8” to 3/4” (measured top to bottom, with a maximum length of 2”), which lies flat in the horse’s mouth is acceptable. Optional loose curb strap attached below the reins is permissible; reins are to be attached above the curb strap. A hackamore may be used in lieu of a snaffle bit. Hackamore refers to a flexible, braided rawhide or leather, or rope bosal, the core of which may be either rawhide or flexible cable. Absolutely no rigid material will be permitted under the jaws, regardless of how padded or covered. The bosal should be properly fitted relative to the horse’s size and conformation. Standard, leather or woven, split reins are mandatory; hair reins (mecate) are not permitted with snaffle bits but are with hackamores. Snaffles are to be ridden with split reins; hackamores may use split reins or closed (mecate) rein.

All entries must be shown with both hands on reins, maintaining light contact with horse’s mouth. The rider’s hands should be carried near the pommel and not further than 4” out on either side of the saddle horn. Rider’s hands must be steady with very limited movement. Rider’s hands should be visible to the judge at all times.

C. Horses will be shown under saddle first, in a Western Pleasure class followed by Showmanship at Halter. Horses and contestants should not be allowed to leave the arena until placings are announced. Each contestant will be allowed up to a total of three (3) "helpers". These three helpers will consist of up to one (1) adult helper and two (2) or three (3) youth helpers (4-H age). Helpers will be allowed into the arena at the conclusion of the Western Pleasure portion. The duties of the helpers are as follows: To help with the removal of riding equipment from the horse and the arena, to bring and remove grooming equipment, and to handle horse while contestant grooms the horse. At no time will a "helper" be allowed to "warm-up" a horse for the Showmanship portion of the contest. Wheelbarrows, carts or other mechanical apparatuses are prohibited from entering the ring.

II. Class Rules and Routine
The general routine of the class is as follows: The class will be divided into two divisions: Two-handed Western Pleasure and Showmanship.

A. State 4-H Rules for Western Pleasure and Showmanship apply with the following specifications:
In Western Pleasure, reins should be held in both hands. This is a two-handed class. In showmanship, all attire and tack will be appropriate for Western Division. In Showmanship, judges are to place emphasis on the performance of the horse-contestant team. Consideration will be given for grooming status caused by the exhibition in the Western Pleasure Division (i.e. sweat, saddle marks, etc. will be discounted.)

B. All entries are first to be shown in the Western Pleasure division. Number of heats and the need for finals will depend on the number of horses shown. At the conclusion of the Western Pleasure division, all horses will be untacked and prepared for showmanship in the show ring. A minimum of 15 minutes will be allowed to prepare horses for the Showmanship division. All horses will then be shown at Showmanship.
3. Placings. Combining rankings in the Western Pleasure and Showmanship divisions as per the State 4-H Horse Show two-judge system will base Placings. If two judges are used in the class, the overall class placing will be determined by use of the following procedures: a.) The top ten rankings in the Western Pleasure division will be determined by combining the individual Western Pleasure placing of the judges as per the State 4-H Horse Show two-judge system, with a pre-assigned tie breaker judge, b.) The top ten rankings of the Showmanship division will be determined by combining the individual Showmanship placing of the judges as per the State 4-H Horse Show two-judge system with a different judge pre-assigned as the tie breaker, c.) The Western Pleasure division ranking and the Showmanship division ranking will be combined to determine the overall class winners, d.) Those contestants ranking in the top ten on both the Western Pleasure division and Showmanship division will place over any contestants ranking in the top ten in only one of the division rankings, e.) Any ties for overall class placing resulting from combining the Western Pleasure ranking and Showmanship ranking will be broken on the ranking of the Western Pleasure division. (Overall winners = winners in Western Pleasure combined placing + winners in Showmanship combined placing.)

4. The judge or designated show official(s) has the authority to excuse from competition any horse deemed unsafe and/or out of control. Any horse receiving inhumane treatment while exhibiting may be dismissed from competition and any exhibitor or associated parties guilty of unsportsmanlike conduct, inhumane treatment or misbehavior may be suspended from participation with conditions as described in the general rules of competition for participation in District and State 4-H Horse Shows.
