Conference Objectives
• Strengthen volunteer and staff relationships
• Provide programs to assist 4-H parents, volunteers and educators
• Provide continuing education that meets a volunteer’s level of need
• One-half of all counties represented

Endowment

Endowment $500
Volunteer Development Scholarship
4-H Volunteers working to raise $12,500 towards the endowment of a scholarship through the Oklahoma 4-H Foundation.

Live Auction—July 22, 2006—Volunteer Recognition Luncheon
July 2006

Dear Oklahoma 4-H Parents, Volunteers, Extension Educators, and Teen Leaders,

The 4-H Volunteer Board welcomes you to the 2006 State Leadership Development Conference. The conference gives an opportunity to continue your education as a 4-H Volunteer, Teen Leader or Extension professional. It is important as we work with our young people and promote 4-H, that we have the knowledge and skills to direct and help develop self-confidence in our youth.

The conference theme is "Bag of Tricks in 2006". Our goal is to provide workshops with several "Tricks" to use in your county and clubs. We have attempted to offer a blend of workshops for the first time volunteer/parent, to the individual who already possesses their own Bags of Tricks.

During the luncheon today, we will recognize volunteers selected by their county for Volunteer of the Year and Life-Time Service awards. Each of these volunteer brings years of teaching and service to the 4-H youth in their county and club.

We hope the days activities provide opportunities to learn, share, make new friends, as well as have fun! I am confident you will find your time well invested and take home a "Bag of Tricks."

Lola Thompson
President, Oklahoma 4-H Volunteer Leaders Organization
Saturday, July 22, 2006

8:00-9:00  Registration
          Coffee and Share Fair

First floor Classroom Building

Workshop Descriptions - Workshops may have been cancelled if there was a lack of interest in the pre-registration survey. When possible, another workshop alternative was provided in that time period.

**ENHANCING 4-H PROJECT WORK -** Explore 4-H projects and project work through this track of workshops.

**A1 – Clothing Decision - Discovering Choices**
*Presented by: Brenda Miller & Charlotte Richert*

The workshop focuses on consumer issues in clothing. We will utilize materials from the National 4-H Council curriculum center. The activities are useful for club meetings and special interest workshops. The interactive style provides *learn by doing* which will help young people manage their wardrobe and clothing budget.

**A2 – Dogs – A Waggin’ Good Time**
*Presented by: Patti Miller and Mickey Simpson*

An introductory overview of the 4-H Dog Care Project: Basic Obedience, Beginning Agility, Rally Competitions, and ideas for piggy-backing “Dogs” with other project areas.

**A3 – Cancelled**

**A4 – Demonstration Tips and Trivia**
*Presented by: Cathy James & Stephanie McSparrin*

We will demonstrate some helpful tips and trivia for illustrated presentations and demonstrations. The primary emphasis will be on food presentations: food preparation tips, food handling techniques, preparing posters and visuals and general do’s and don’ts. The fundamental information has useful application for all topics used in illustrated presentations.

**A5 – Hop, Skip & Jump to Health**
*Presented by: Becky Walker*

Communicating, making decisions, understanding self, dealing with change and making healthy lifestyle choices are just a few of the life skills learned through the 4-H Health project. Be a healthier and happier volunteer and teen leader by living the fourth H - Health. It’s time to get motivated and moving to a healthier you!

**A6 – The Basics to Successful Meat Goat Project**
*Presented by: Kyle Worthington, Tom Manske and Jill Toney*

An introduction to the rapidly growing 4-H Meat Goat project: traits desired in selecting a meat goat; nutrition needs for a healthy project; and resources needed to raise a meat goat. We want to help youth excel in and out of the show ring with their Meat Goat project.

**A7 - Basic Photography & Preparing Photography Entries**
*Presented by: Theresa & Julie Bragg*

Attendees will learn basic techniques in photo selection, what makes a good photo, good compositional techniques, and tips and guidelines for preparing entries for the state fairs. Samples will be available for participants to see.
A8 – Geology

Presenter by Kim Sims Kohler

The Geology project covers everything from all sources of energy to economics and careers. We will acquaint participants with the Geology Kit located in each county office, how to develop project clubs and share ways youth can develop project work to qualify for the scholarship and/or awards.

A9 - Cancelled

A10 - Utilizing Animal Projects to Develop Life Skills in Youth

Presenter by: Rusty Gosz

Livestock projects are a worthwhile mechanism to help develop and educate young people about animal husbandry and the livestock industry. But, life skills learned through these projects present the greatest benefit for participating in an animal science project.

A11 – Project Mileage

Presenter by: Patty Underhill

This workshop will show volunteers how time and money can be saved while the 4-Her gains leadership and public speaking skills as they work in their project areas.

A12 – Cancellation

PROJECT PLANNING AND LIFE SKILLS DEVELOPMENT THROUGH 4-H

Life skills development is at the root of all 4-H projects, programs, activities and events. Life skills are 34 simple principles which allow our children to develop into capable and competent adults. Our role as volunteer, parent, teen leader and educator is to help young people see the relationship between the skill they are learning and its application to other aspects of their life. A figure of the Life Skills model is located inside the back cover.

B1 Raising the Green for 4-H

Presenter by: Jim Rutledge

If your 4-H club needs money to support project development, community service activities or incentives, this workshop is for you. We will discuss some of the oldest and some of the newest ways to raise money for 4-H clubs. The focus will be split between fund raising ideas that will engage all the members and grant writing that will provide funds from other sources. There are many sources for small grants that will be shared with participants.

B2 Teen Leaders Who Are They?

Presenter by: Marilyn Rogers

With 23 year working with teen leaders and a total of 33 years as a 4-H volunteer I will share my experience in how to start young 4-H’ers on the path of becoming Teen Leaders and Officers; how to keep teens involved in 4-H; as well providing time for questions and comments.
B3 Be a Clown in 24 Hours
Presented by: Dana Chaffin
Learn how volunteers and/or teen members can start a county-wide clowning club. Clowning provides a wonderful opportunity for citizenship and service.

B4 Service Learning
Presented by: Nancy Dunlap & Charles Mohr
You are invited to actively participate and learn about youth driven service-learning programs that engage youth K-12 in applying their academic knowledge in projects that benefit the community in the areas of education, environment, health and public safety, as well as human needs. Funding is available to assist in implementing service-learning programs.

B5 LEAD - Learning Exciting Attitudes for Design of Club Meetings
Presented by: David Sorrell and Gena Alexander
Training teen 4-H members and providing a leadership opportunity for them to create club kits for all county volunteers to use at club meetings. Building club kits creates excitement for youth members, parents, teens and volunteers. The excitement is contagious and gives club meetings a new attitude and design. This workshop will give you the structure to LEAD your county into a new design of club meetings!

B6 Planning & Reporting Quality 4-H Project Work (Part 1)
Presented by: Susan Murray
Winning 4-H Record Books start with good project work. Solid project work is the result of setting goals, working toward project objectives, planning quality leadership and community service activities and following through with those plans. Participants will participate in hands-on planning activities and receive tools to assist with planning and recordkeeping.

B7 Beginning Record Books & Project Report Forms
Presented by: Grant James and Brenda Hill
Tips to help leaders assist junior 4-Her’s with their record books will be discussed. We will take a look at other record book formats and review the form that is used in Cleveland County. Our goal is to help parents and volunteer to have a better idea of what needs to go into a successful record book.

B8 Veterinary Science Today and Tomorrow
Presented by: Dr. Dave Sparks
Veterinary Science offers many career opportunities for youth to explore. Dr. Sparks will share the need for veterinarians in Oklahoma and surrounding states and how the College of Veterinary Science is willing to work with young people who have a goal of becoming a veterinarian.

B9 Cancelled

B10 Horse - Communications (Part 1)
Presented by: Dave Freeman, Tommy Puffinbarger and others
The majority of horse owners with youth list pleasure riding and trail riding as their favorite activity. Characteristics of these activities - location, interest and time, allow for 4-H volunteers to develop and encourage on-site educational activities. This workshop will discuss ways to provide on-site activities that allow 4-H'ers to develop technical horsemanship skills, camping
skills, and environmental stewardship, while developing teamwork, leadership and communication abilities. Participants will have the opportunity to participate in some example activities.

B11  **12 Months of 4-H Fun**  
*Presented by: Joy Hammond and Jared Seeley*

Are you searching for programs to broaden the scope of your 4-H meetings? Come explore our workshop for hands-on ideas to introduce a different project area every month and open the door for your 4-H members to the bigger world of 4-H.

C1 – **Raising the Green for 4-H**  
*(Club Fund Raising and Grant Writing) Repeat of B1*  
*Presented by: Jim Rutledge*

C2 – **Teen Leaders Who Are They?** Repeat of B2  
*Presented by: Marilyn Rogers*

C3 – **Be a Clown in 24 Hours (Citizenship)** Repeat of B3  
*Presented by: Dana Chaffin*

C4 – **Service Learning** Repeat of B4  
*Presented by: Cassie Eubanks & Charles Mohr*

C5 – **Planning & Reporting Quality 4-H Project Work (Part 2)**  
*Presented by: Susan Murray*

Once 4-H members have done good project work, it’s time to report it in the Oklahoma Report Form and write about it in the 4-H Story. As long as directions are followed, there is no “right” or “wrong” way to present information. Participants will receive formatting examples. In addition, the 2007 Awards Program changes will be shared during this session.

C6 – **Beginning Record Books & Project Report Forms** Repeat of B7  
*Presented by: Grant James and Brenda Hill*

C7 – **Get In the Act**  
*Presented by: National Conference Delegates Matthew Taylor, Carrie Highfill and Katelyn Wallace*

Get in the Act is an interactive curriculum that encourages youth to practice and develop life skills important to the workplace. Designed to be taught by teens in after school setting, our team believes the fun and innovative activities are excellent tools for engaging elementary and middle school 4-H members in the learning process at the local club level.

C8 – **Horse - Communications** (Part 2) Continuation of B10  
*Presented by: Dave Freeman and others*

C9  **12 Months of 4-H Fun** Repeat of B11  
*Presented by: Joy Hammond and Jared Seeley*
Fun Shops
Experience project work up close and personal in these fun, hands-on workshops!

D1 – Hydro Rockets Away!  
*Coordinated by: Rick Rexwinkle*
Construct a rocket with simple materials - a two liter pop bottle and card stock. We will also construct a PVC pipe launcher. This workshop will include: what makes a rocket fly, stability, launch safety, as well as cone and fin design.

D2 – GPS  
*Coordinated by: Beth Crumpler*
Volunteers will learn to use Global Positioning System receivers through fun activities.

D3 – Fun with the 4-H Ritual  
*Coordinated by: Karolyn & Beth Bolay*
Learn fun and interactive games and activities for your 4-H club members, leaders and after-school groups. These games and activities will help teach the 4-H Ritual while providing a fun and enthusiastic environment.

D4 – Salt – It’s not just for cooking!  
*Coordinated by: Glynadee Edwards*
We will have fun doing "salt art" using household table salt and food coloring. Cost $1.

D5 – 4-H Science & Technology Made Easy  
*Coordinated by: Washington County 4-H Members & Sarah Sponsel*
Want to be a 4-H “mad” scientist? We won’t blow up anything, but it will be messy! Our hands-on workshop will equip you with lessons and activities to introduce science & technology to your 4-H club.

D6 – Cancelled

D7 – Table Etiquette & Napkin Folding  
*Presented by: Cindy Conner*
We will demonstrate table settings for a variety of occasions, have fun discussing table etiquette and provide hands on instruction for folding napkins 15 different ways.

D8 – Ideas for Summer Sewing Camp  
*Presented by: Radonna Sawatzky and Kristy Spalding*
“Do you need quick and easy sewing project ideas? Whether it’s for summer day camps or sewing clubs, this workshop is for you. Come for lots of ideas and leave with a project in hand.”

D9 – Sitting Around Blowing Bubbles  
*Presented by: Liz and Cathleen Taylor*
You’ll be doing more than just sitting around blowing bubbles. Make and play with bubbles and see how bubbles can be a wonderful way to introduce science into your 4-H clubs, camps and day camps.
D10 – Go Fly a Kite
Presented by: Nolan Watson
We will discuss the history of kites, how they spread across the world, and unusual uses of kites. We will learn the dynamics of how kites fly including lift, gravity, resistance, thrust and other principles of flight affecting kites. Each participant will build a kite to take home along with new skills to share with 4-H members.
Science Camp Schedule
July 22, 2006

Oklahoma 4-H Science Camp is for 9-12 year old 4-H members.
- Limited to the first 40 participants.
- **Enrollment Fee** – Early Bird registration $30 before July 1
  After July 1 enrollment $40

The Seechi Dip-In," will deal with water quality and environmental sciences. Campers will set up shop at Theta Pond on the OSU campus and measure the turbidity of the water and determine if the water is good or bad. The goal of the workshop is to increase the number and interest of volunteers in environmental monitoring. After returning home, campers will have the opportunity to participate in a global water monitoring event, “The Great Seechi Dip-In.”

MISSION STATEMENT
The mission of the Southern Region Leader Forum is to increase the capacity of volunteer and salaried staff to contribute to the achievement of the mission of the 4-H youth development and the Cooperative Extension system as a whole.

PURPOSE
The primary purpose of the Forum is to educate and prepare participants to share what they learned back home. Participants benefit from the experiential learning activities which require them to discuss, use and apply what they learn. The ultimate application is for individuals and teams to teach others what they learn.

COORDINATION
The Forum is conducted by the Cooperative Extension Services of the State Land Grant Universities in the southern state, the National 4-H Council and the cooperative State Research, Education and Extension Service of the United States Department of Agriculture.

Dogs or no Dogs
Generation Why: What’s it all About
AND much, much more!

Registration: Your non-refundable deposit of $50 is due to the State 4-H Office on August 4, 2006 along with the attached form. The balance will be due September 1, 2006 not to exceed a total registration fee of $240.

Location: Eatonton, Georgia
Rock Eagle 4-H Center—http://www.rockeagle4h.org

Transportation: Each delegate will be responsible for making arrangements for his or her own transportation. In order to keep costs down, a list of suggested flights from Oklahoma City and Tulsa will be made available after the August 4 deadline. Using one of these suggested flights will allow airport transfer fees to be substantially less.

Travel Itinerary: Delegates will depart the morning of October 5 and arrive home on evening of October 8.

Dress: This is a casual conference with the exception of the closing banquet. Comfortable shoes are a must! Temperatures 40-60 degrees.

Lodging: Delegates will stay in heated/air conditioned cottages with towels, linens and blankets, all furnished.

Trading Souvenirs: This is a popular past time for delegates. Each Oklahoma delegate will receive ten Oklahoma pins, but you are welcome to bring other items that are representative of this state.

Need more Information?: Contact Karla Knoepfler, Assistant State Specialist, 4-H Youth Development, 405-744-8891 or kknoepfl@okstate.edu

Oklahoma Registration Form - http://oklahoma4h.okstate.edu/volun/eduopp.htm
Targeting Life Skills Model

Iowa State University Extension, Targeting Life Skills, 1998
4-H is a community of young people across America who are learning leadership, citizenship and life skills.
