4-H Youth Development Program

December 11, 2007

To: County 4-H Parents and Volunteers

From:

The program for the SW District 4-H Parent/Volunteer Conference, which will be held Saturday, February 2, 2008 at the Great Plains Technology Center in Lawton, is enclosed.

This conference is an excellent opportunity for you to learn more about new state programs, successful programs in other counties and to network with other volunteers and extension educators from throughout Southwest Oklahoma.

The SW District 4-H Speech Contest will be held in conjunction with the conference, as well as the District Horse Council meeting and training for 4-H Day at the Capitol delegates. 4-H members accompanying registered volunteers or educators may bring one mini-fair display. Take note of the following items:

- ▶ You must pre-register by **January 16, 2008.**
- ▶ **Pre-enrollment is required for Early Bird Workshops – early registration is advised for the Photoshop™ session, as it will fill up quickly.**
- ▶ Each county is responsible for providing one silent auction item
- ▶ Certificates will be provided for volunteer certification and CEU's for teachers and others needing continuing education credit
- ▶ Most workshops will be offered one time – a team of volunteers should attend the conference to be sure the county gets maximum benefit from information presented.
- ▶ Volunteer Board nominations are due in the District Office by January 18th as well – we have one slot to fill. That person's board duties will begin in July of 2008 and run through July of 2011
- ▶ Mini-fair participation is limited to one display per registered adult. Mini-fair booths must pre-register by January 16. Space is limited and will be assigned on a first come – first served basis.
